OMER FROUGH

WEB DEVELOPER

Profile

I'm an enthusiastic, responsible, fast learner and hard working IT person. Coding have been my passion since the day i stared working with computers but i found myself into web development since 2019. I'm looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment, and be a pleasant and friendly addition to your team. I am therefor currently looking for a job or an internship as a front-End developer.
